

May we be a bridge-builder for you? Through partnership with national missionaries and our Partners In Mission Program — Mission ONE seeks to assist you or your church family in sharing the gospel of Jesus Christ with unreached peoples in Africa and Asia. Here's how:

1. **Understand the blessing.** As a partner in this program, you will become a partner with a national missionary team of evangelists, church planters, national missionary women, and key leaders identified by Mission ONE. You will receive a ...

- Full-color profile with picture and description of the team leader, along with pictures of some of the people in the team. Also included: basic information about the country and the peoples to whom they are ministering.
- Report every 3 months giving ministry progress, prayer requests, and stories.

The standard support level is \$80 per month, or \$960 per year. Mission ONE asks for a one-year commitment. Of course, varying amounts may be given based on the donor's interest and giving capacity. The assessment fee for funds given for national missionary support and projects is 10%; this is for the cost of accountability.

2. **Understand the commitment.** See the column at right: *Partners In Mission Guidelines for Sponsorship*.

3. **Pray.** If you have a desire to help, think about the options, then seek the Lord for wisdom in how you might be involved. *Some options...*

- a. Support a national missionary as an individual or family. Make it your own "missions project" by investing in a cross-cultural partnership through monthly support of a national missionary.
- b. Promote the idea with your pastor or missions committee in your church. We welcome Christians to support global missions through their local church, if desired.
- c. Make this a global mission project through your Bible study or Sunday School class. You could raise the \$80 per month to support one national missionary through a weekly class offering.
- d. Be creative and develop a way that fits your situation.

4. **Fill out the form (pg. 2) and mail it,** along with your support, to Mission ONE. The address is below.

5. **Questions?** Call Mission ONE toll-free: **(877) 649-5866**.

*Sometimes the national missionary reports take longer because of security and logistical problems. Mission ONE makes every effort to gather these reports in a timely fashion.

Partners In Mission Guidelines for Sponsorship

Assessment on gifts: The assessment fee for funds given for national missionary support and projects is 10%; this is for the cost of accountability — i.e., sending funds securely, monitoring the gathering of reports, and periodic visits to the mission field.

Timeliness: Your monthly financial support should arrive at the offices of Mission ONE by the first day of each month. This will enable Mission ONE to be timely in forwarding the funds to the mission field.

Commitment Period: One year. The national missionary team will be depending on God to provide regularly through you. Therefore, if for any reason, you cannot send your support in a given month, Mission ONE should be notified promptly so that other arrangements can be made.

Open communication: All correspondence with the national missionary team must be sent and received through the offices of Mission ONE. Also, all correspondence is "open" and can be read, translated, and quoted as deemed necessary by Mission ONE.

Partnership with nationals. It just makes sense.
